

## SEX EDUCATION NOTIFICATION AND WAIVER FORM

Dear Parent / Guardian,

Sex education and AIDS prevention will be taught in Camden County schools during the 2011-2012 school year. At the middle schools this will be taught in the health class, in which every student participates. If you would like to preview the materials, you may contact the health teacher by email or by calling the school.

Parents may choose to exclude their child from the sex education and AIDS prevention portion of the program. Students will receive an alternative assignment on another health topic in a location other than their health classroom. They will not be penalized in any way for not participating.

If you wish to have your child EXCLUDED from these topics of study, please complete the form below and return it to your child's health teacher.

---

### SEX EDUCATION & AIDS PREVENTION WAIVER FORM

I, \_\_\_\_\_, parent/guardian of \_\_\_\_\_, wish to have my child EXCUSED from participation in the unit of study on sex education and AIDS prevention in health class. I understand that my child will be given alternative assignments to complete during this period of time and that these assignments will be graded. I further understand that the assignments will be completed in a setting other than the health classroom.
